## DRIVERS' BRIEFING

### 1. EVENT PROGRAM AND HEAT RUNNING ORDER WILL BE PUBLISHED IN OFFICIAL NOTICE BOARD.

### 2. PREPARING IN THE PRIE-START ZONE

- Drivers have to come to the prie-start zone within **3 min.** after the class before has started.

### 3. SAFETY IN THE TRACK

- In case when car stops in the track the driver first of all has to show to the marshal that he is ok. To get out from the car is permitted only when it is safe to do it or when marshal allows it.  
- After getting out of the car you must urgently get to the safe place outside the track borders.  
- Come back to the car or take any action by the car when the heat is still running is strictly **prohibited**.

### 4. START PROCEDURE

- Marshal informs about preparing for start while passing through the starting zone with green flag.

- The table with sign 

<b>5 sek.</b>
---------------

 is raised.

- in the period of 5 sec. from raising the table the green signal light is switched on - **START**

### 5. „FALSE START“

- In case of making false start **in the qualification heats** the heat is **not stopped**. Driver who does the false start, gets 15 sec. time penalty to his time of that qualification heat

- In case of making false start in **Final heats** (also B final) the heat **is stopped**. All the marshal posts will signal with red flags. Driver who does the false start will get warning. Any other driver making the false start in the asme final will be excluded from the final.

### 6. EXITING THE TRACK

- Exit of the track is indicated in the safety plan, in the official notice board. Also, the marshal will indicate the exit with the flag after heats.

### 7. COMPETITORS' LIAISON OFFICER

- All announcements, protests, questions to the officials about the running of the event or results first of all has to be given to the competitors' liaison officer.
